The Externalization of Legal Categories:
How U.S. Immigration Law Shapes Central American Youth Migrants’
Experiences While in Transit Through Mexico

The Ethnography Workshop is open to graduate students and faculty who are interested in the broad range of participant observation, field observations, and ethnographic methods. As a sociological method, ethnography refers to the qualitative description of human behavior, based on intensive fieldwork.

For more information about the workshop or to join the listserv, please contact Xi Wang
