WORK IN PROGRESS

Instituting Ethnicity: Changing Relations Among New and Old Immigrants. Individual and institutional relations among new and old immigrants in the Albany Park community of Chicago.

The Gold Coast and the Slum Revisited. A restudy of the Near North Side of Chicago first studied by Harvey Zorbaugh in the twenties. Research focuses on the ecological, social, and

political/economic forces of persistence and change with an emphasis on the impact of urban public policy and reform over the past half century.

Suburban Sojourn: The Culture and Politics of Suburban Ecological Change. A monograph based on a comparative study of four suburbs of Chicago including analysis of census and archival data, in-depth interviews, and blockmodelling of survey data for community power structures.

Civility and Community in Cities. A collection of essays and empirical studies focusing on social control in urban communities, and the interface of informal, communal mechanisms with formal, state mechanisms of control.

Studies in Symbolic Ecology. A collection of empirical studies of the interaction of physical, social and cultural factors that create the form of contemporary American cities.

Poetic Insight and the Sociological Imagination. A critical essay and anthology of poems reflecting similarities and differences in the modes, methods and metaphors of social science and poetic representations of social reality.

Elites at Home. A multimethod case study of an elite community on Chicago's North Shore. Focus on local participation and attitudes toward the community.

Neighbors and the Gang. A field study of the mobilization of individuals, neighborhood organizations, and of community institutions to deal with gang activity. Based on survey, interview and archival data.

Civil Societies: A Comparative study of the US & UK. A study of various aspects of civil society – voluntary associations, civil liberties versus security, violence and social control, church-state relations, citizenship and immigration, and civil society constitutional origins in the two countries.
