RESEARCH & PROFESSIONAL EXPERIENCE

December, 2020 – present: Graduate Research Assistant

The Northwestern Neighborhood & Network Initiative (N3), Institute for Policy Research, Northwestern University

- Conducted interviewer-administered surveys with street outreach workers who are working to reduce gun violence in Chicago

September, 2019 – September, 2020: Clinical Research Coordinator II

Section of Infectious Diseases and Global of Health, Medicine, Biological Sciences Division, University of Chicago

- Managed a UH3 clinical trial funded by the National Institute on Drug Abuse (NIDA) of NIH, which assessed the efficacy of harm reduction services in reducing HIV and HCV transmission and overdose among people who use opioids in the rural Illinois Delta Region

- Responsibilities included: conducting interviews; qualitative, quantitative, and spatial analysis; developing protocols and manuals of procedures; monitoring regulatory compliance; data monitoring and quality assurance; study retention strategy development and implementation

June, 2017 – September, 2019: Research Project Manager

The Center for Interdisciplinary Inquiry and Innovation in Sexual and Reproductive Health (Ci3), Obstetrics and Gynecology, Biological Sciences Division, University of Chicago

- Managed a U24 project funded by the Adolescent Medicine Trials Network for HIV/AIDS Interventions (ATN) of NIH, which assessed the feasibility, acceptability, and preliminary efficacy of an employment-based HIV prevention intervention for LGBTQ youth of color
- Provided research support for additional projects related to LGBTQ health and wellbeing
- Responsibilities included: conducting interviews and focus groups; administering surveys; qualitative, quantitative, and spatial data analysis; preparing manuscripts; designing interventions; developing study instruments; developing protocols and manuals of procedures; monitoring regulatory compliance; supporting grant submissions; recruiting participants and coordinating study visits; delivering intervention curricula; managing data and overseeing quality assurance reviews

September, 2016 – June, 2017: LGBTQ Youth Services Fellow

Care2Prevent, Pediatrics, University of Chicago Medicine

- Collaborated with staff and community to develop and implement a model of care for drop-in services that is LGBTQ-affirming

September, 2016 – June, 2017: Administration & Development Intern

Chicago Women's Health Center

- Assisted with grant-writing, fundraising, communications, and evaluation of services for a feminist and transgender-affirming health clinic
- Contributed to the center's expansion of transgender care

June, 2015 – June, 2017: Research Assistant

The Center for Interdisciplinary Inquiry and Innovation in Sexual and Reproductive Health (Ci3), Obstetrics and Gynecology, Biological Sciences Division, University of Chicago

- Coordinated an experimental research study exploring how racial stereotyping influences perceptions of HIV/STI risk among young men who have sex with men
- Assisted with participant recruitment, data management, literature reviews, qualitative and quantitative data collection and analysis, and manuscript preparation for projects related to LGBTQ health

September, 2015 – June, 2016: Social Work Intern

Broadway Youth Center, Howard Brown Health

- Provided basic needs services, crisis intervention, and counseling to LGBTQ youth experiencing poverty, housing instability, and food insecurity

September, 2013 – June, 2015: Research Assistant

Center for the Study of Gender & Sexuality, University of Chicago

- Conducted historical research on the experiences of LGBTQ individuals at the University of Chicago including archival work and oral history interviews

June, 2014 – September, 2014: Research Assistant

Jane Addams College of Social Work, University of Illinois at Chicago

- Performed a literature search related to LGBTQ youth homelessness

AWARDS & HONORS
